Aims of the project

- ❖ creating an open educational environment;
- ❖ establishing cooperation between a board of education, a school and local institutions that support the artistic and physical activity of the young;
- ❖ enriching an educational offer of the school;
- ❖ teachers' improvement of professional and social competences;
- ❖ development of artistic and physical activity of the young;
- ❖ searching for new pedagogical solutions in the sphere of artistic and sports education;
- ❖ exchanging the best pedagogical experience in the field of artistic and sports education with the foreign partner;
- ❖ intensifying the European dimension of education.

Expected work results

- ❖ improvement in the work quality of the schools involved in the program;
- ❖ raising professional skills of the people who implement the program;
- ❖ creating and introducing a program that will get students having learning difficulties involved in artistic and sports activities;
- ❖ an increase in youth's activity in the field of sport and art;
- ❖ meetings of education managers and training officers from Poland and Romania in order to exchange experience and best educational practices;
- ❖ expanding the knowledge of the partner country's national heritage by organizing days of Polish culture in Slatina and days of Romanian culture in Tarnobrzeg;
- ❖ an increase in the English language knowledge of the team implementing the program;
